

AI Enamel Pin Prompt Templates

10 ready-to-use prompts + the master formula for manufacturing-ready designs — CreatePins, 2026

The Master Prompt Formula

Copy, paste, and customize this structure for any subject:

Create a manufacturing-ready [hard/soft] enamel pin of [subject].

Style:

- Flat vector illustration
- Bold clean outlines
- [Art style]

Metal Finish:

- Gold / Silver / Black Nickel / Rose Gold

Colors:

- Maximum 6-8 solid enamel colors

Production Requirements:

- Thick metal borders
- Large enamel areas
- Every color enclosed by metal
- Suitable for a 1.5-inch die-struck pin

Background:

- Plain white

Negative Prompt:

No gradients, shadows, textures, glow, transparency, realistic rendering, thin lines, or tiny text.

Negative Prompt Checklist

Paste this into the negative prompt field of any AI tool that supports one:

- No gradients
- No transparency
- No shadows
- No glow
- No realistic textures
- No watercolor
- No photo effects
- No tiny text

- No thin lines
- No floating color areas

10 Ready-to-Use Prompt Templates

1. Cute Animal

A smiling corgi with a coffee mug, gold plating, six solid colors, kawaii vector style, thick outlines, centered composition, manufacturing-ready.

2. Space Theme

A cheerful astronaut cat floating with planets, silver plating, seven solid colors, flat vector illustration, bold outlines, no gradients.

3. Fantasy

A coiled dragon with emerald accents, black nickel plating, symmetrical layout, eight colors, clean line art, suitable for a 2-inch pin.

4. Halloween

A friendly ghost holding a pumpkin, orange and purple palette, gold plating, simple shapes, thick metal borders.

5. Christmas

A festive snowman wearing a scarf, six colors, silver plating, flat vector style, bold outlines.

6. Coffee Shop

A smiling coffee cup mascot, minimalist design, warm color palette, factory-ready layout.

7. National Park

Mountain landscape, pine trees, rising sun, retro badge composition, antique brass finish.

8. Gaming

Retro game controller with pixel-inspired styling, bold outlines, six solid colors, black nickel finish.

9. Floral

A blooming sunflower with leaves, gold plating, limited color palette, symmetrical composition.

10. Corporate

A modern geometric logo badge, minimalist style, silver plating, flat vector artwork, clean negative space.
